Err....😂

<https://x.com/DanaDooDah/status/19988...>

That's all pretty damn hysterically emotional for someone who doesn't "give a fuck". Methinks the lady doth protest too much.

There's a lot I could say about this, sure, but I think my favorite parts right now that I think deserve highlighting are:

1. To try and deflect off of her repeated insults and criticisms of what the Bible calls God's creations, the earth and her body, she is apparently trying to rebrand that as a self-deprecating – how does that work when neither of those are HERS – and rebrand that as a nihilistic joke.

So now she's a devout Christian NIHILIST?

Incidentally, one who also uses an ATHIEST quote as part of her branding. ""The centre of me is always and eternally a terrible pain – a curious, wild pain – a searching for something beyond what the world contains." – a truncated quote, no less.

Full quote Bertrand Russell, Autobiography (Routledge, 1998), 303.

"The centre of me is always and eternally a terrible

Full quote Bertrand Russell, Autobiography (Routledge, 1998), 303.

"The centre of me is always and eternally a terrible pain — a curious wild pain — a searching for something beyond what the world contains, something transfigured and infinite — the beatific vision — God — I do not find it, I do not think it is to be found — but the love of it is my life — it's like passionate love for a ghost."

Also of interest on the same topic:

"...no matter how much longer technology can extend the duration of conscious life, it cannot give us eternity. Yet eternity is something we humans intensely long for; even some who do not believe in any sort of afterlife express a deep existential angst over the finitude of humanity.

Suffering and death are existentially-inflicted wounds, and healing is out of reach. There is no hope for a world made right, for the redemption of humanity's brokenness, or for any semblance of cosmic-scale justice for the rampant evil in the world. There is no escaping the fact that all is a pointless cosmic farce."

All Dana's "escaping" earth and forms and this, this planet is not her home or where and with who she wants to be - that she's been saying over time - to me simply shows she doesn't even know her own

All Dana's "escaping" earth and forms and this, this planet is not her home or where and with who she wants to be - that she's been saying over time - to me simply shows she doesn't even know her own subject. Just like a lot of Scientologists proved to me when I was "in" their church.

Example from the bible that goes 180 degrees of Dana's preach! of escaping this mudball and meatsack is somehow Christian and "with" God -

the Revelation of John: (emphasis is mine)

Then I saw a new heaven and a new earth, for the first heaven and the first earth had passed away, and the sea was no more. And I saw the holy city, new Jerusalem, coming down out of heaven from God, prepared as a bride adorned for her husband. And I heard a loud voice from the throne saying, "Behold, the dwelling place of God is with man. ****He will dwell with them****, and they will be his people, and God himself will be with them as their God. He will wipe away every tear from their eyes, and death shall be no more, neither shall there be mourning, nor crying, nor pain anymore, for the former things have passed away." And he who was seated on the throne said, "Behold, I am making all things new."
(Revelation 21:1–5 ESV)

Yep. That's what it says.

2. Attacking Loren Spethman re: his Christian Scientologist term - thereby deliberately positioning

That's just...

Never mind for now, the bottom line is that all this posturing by Dana is just more evidence that her cornucopia of disparate elements in her version of Christianity is far more Processean Scientologist than it is Christian.

Dana never did what she said she was going to do for us, communication directly to Dylan Gill. She blocked that. Today, trying to deflect off our phone conversation about it and onto Chuck Beatty doesn't change that one simple fact. She lied to us that she was going to do what we asked and she never did and withheld from us that fact - confirmed with Dylan Gill who made it quite clear to me, in an email, that no one contacted him about his offer to us.

If it becomes necessary to bring that out to defend ourselves against Dana's new lying attack today, as Mike said, then so be it. Dana doesn't get to falsely use others, like Dylan or Chuck, to try and serve her attack on us agenda.

Conversation snippets too paid-to-be-stupid great examples to pass up:

Dana is asked "You're Christian?"

Dana's response 10 minutes or so ago: "Yes - I just don't really jive with the blanket term many folks throw on it."

No kidding. What's true for Dana about Christianity is true for Dana, amiright? Very scientological. 😏

Dana about a hour ago after my last post here -

(insert attempts at Drama Queen dismissive hand-waving mental gymnastics here 😂) -

"A lot of mental gymnastics that has been done both publicly and privately over the past year and a half. It's funny I'm accused of running a cult when everyone saw that go down first here and then pick fights one by one with people. Just sad at this point."

EVERYone? Really? I. Don't. Think. So. This reminds me of the days back on the old FZA board where sockpuppets galore were 'voting' (really only 2 or 3 people that I had proven from the logs to be running

EVERYone? Really? I. Don't. Think. So. This reminds me of the days back on the old FZA board where sockpuppets galore were 'voting' (really only 2 or 3 people that I had proven from the logs to be running multiple accounts) that I am velly bad and need to be isolated and not listened too, basically.

See what I have been talking about?

Same. Old. Tactics.

I have earned the right to do this...YAWN.

Around 4 hours ago - side note: Geez. She's reacting almost in real time to my posts, it's almost like we are -gasp- having a conversation. Heh.

"oh their refutation to this was that I said I'm a "devout Christian Nihilist". Funny, I don't see that anywhere...and now they're claiming to understand the Bible better than me. its what these people do - they try to drive you insane. I'm not playing along."

Truth **is** insanity to liars and corruptors of truth, including her research - how can we forget the Carr address fiasco of hers or the ridiculous photo matchings that don't, or the polish bs report that Dana said PROVES something or other that it did not, the list goes on and on - but right now Dana is just

Watch and learn.

Last but not least -

11 hours ago or so, Dana (partial quote):

"I do not care about trying to take the high road anymore."

Yes, that much is now obvious, thanks to Dana making it clear that in the end, the low road, the sewers and the gutters, where no morality, no dignity, no integrity and no honor likes to wallow in, are her real go-to's when push comes to shove.

Ah yes, The Way.

Of the 'green' trash, that is.
